

Gill Knox
NZSG 22255.
Porirua Branch since 2004,

I was elected to Council in 2014 and re-elected in 2016. My focus area has been Liaison and Communication with emphasis on External Liaison. This term my area of responsibility is the Canterbury Westland region. This has given me a greater understanding of the joys and concerns of members and groups.

My own research into my family is very much a work in progress I am still trying to answer the question of who is my Grandmother some 28 years after starting the process. Along the way I have found out many things from many people all helping me to piece together where we came from.

I feel the Society is heading in the right direction with a lot more still to be done, and I am keen to be part of this.

My professional background, passion for genealogy over many years and extensive networks in the NZSG family mean I can be of real and practical help to the Society.
